

# Laser Ultrasonics 2018

9–13 July 2018

University of Nottingham, Nottingham, UK

Organised by the IOP Physical Acoustics group

Co sponsored by the IOP Optical group

<http://lu2018.iopconfs.org>

Laser Ultrasonics 2018 will be held from 9–13 July 2018 at the University of Nottingham. This is the 6th international symposium on Laser Ultrasonics (LU2018) which brings together world leading researchers in Laser Ultrasonics, Phononics and light-matter-sound interactions.

The symposium is dedicated to the latest scientific results, methodological and technological advancements, and applications of Laser Ultrasound. The target number of attendees is 100 to 150.

## Exhibition

The exhibition is an opportunity for businesses to engage with potential customers face to face, maintain or raise their profile, promote products, network and generate new business leads. The exhibition will be held as part of an industry day during the conference on Wednesday 11 July 2018.
